Dear Parents and Carers

I wish you and your children a warm welcome back to Foxes Class and hope you all has a pleasant summer holiday.

This year the overarching theme is Changes. Over the autumn term we will be learning about changes through history with the Anglo Saxons and the Vikings. Hopefully, we can invade a local historical site too! We are trying to train a dragon during our English sessions, which will see us writing instructions for catching or caring for it, describing our own dragons and building a Viking village to stimulate our story writing. Through Science we will observe and experiment with rocks and soils to help us with the construction of our village.

Place value, addition and subtraction are the first areas of focus for Maths. Even so, we will look for dragon or Viking related ideas amongst the calculations.

In RE we learn about Christianity. The enquiry-based questions will be: How did the world come to be? How do Christians work to bring God's Kingdom on Earth? Later in the year we will also ask questions about Islam.

Our art work will include still life drawing and designing a dragon. We will look at a variety of artists work to support our ideas.

Mrs Grant will teach French again this year using Rigalo and French story books.

Swimming continues to be on a Wednesday and PE on a Thursday. Please ensure the children have their full, school swimming and PE kits in school on those days.

Once again, welcome back. I look forward to teaching your children this year. If you should have anything you wish to discuss throughout the year please do come and see me to arrange a mutually convenient time; after school is usually best. You can also contact me via my email:

mreeve@pulham.norfolk.sch.uk

Kind regards
